

TMSS10ListStorageHistory

Synopsis

```
TMSS10ListStorageHistory [-R date range] [-S logon string] [-V volume filter]
```

Description

TMSS10ListStorageHistory lists the storage history for each repository within the specified date range

Options

- -R Specifies the date range.
- -S The logon string argument sets the [Server logon information](#)
- -V [Volume Filter](#) which can be used to filter the traversal of Customer, Media, Volume, repository and flag values.
