2025/12/01 11:54 1/1 TMSS10MovePending

TMSS10MovePending

Puts Volumes with a **Move Pending Flag** into a move status to the Volume's current Repository's Next Repository, as set in the Options Tab of the Repository Properties Window. If the Volume's current Repository has no Next Repository, the **Move Pending Flag** will be added, but no move will be initiated.
