Installation

Installing

- System Requirements
- Downloading the software
- · What will be installed
- Installing the software
- Firewall Requirements

Testing the installation

When the product is installed you will see a TapeTrack TapeMaster icon on the Windows Desktop and shortcuts to TapeTrack TapeMaster in the Windows Start Menu.

To test that the program has been installed correctly, double-click on either the Desktop or Start Menu shortcut. No updates will be performed by simply starting the program.

Users Guide

- Getting Started (the minimum setup to use the product).
- Advanced Setup (the other bits you might need to know to setup in your environment).
- Day to day Usage (the things you should know to get the job done efficiently).
