

Library Management

Overview

The TapeTrack Lite Library Management function allows you to

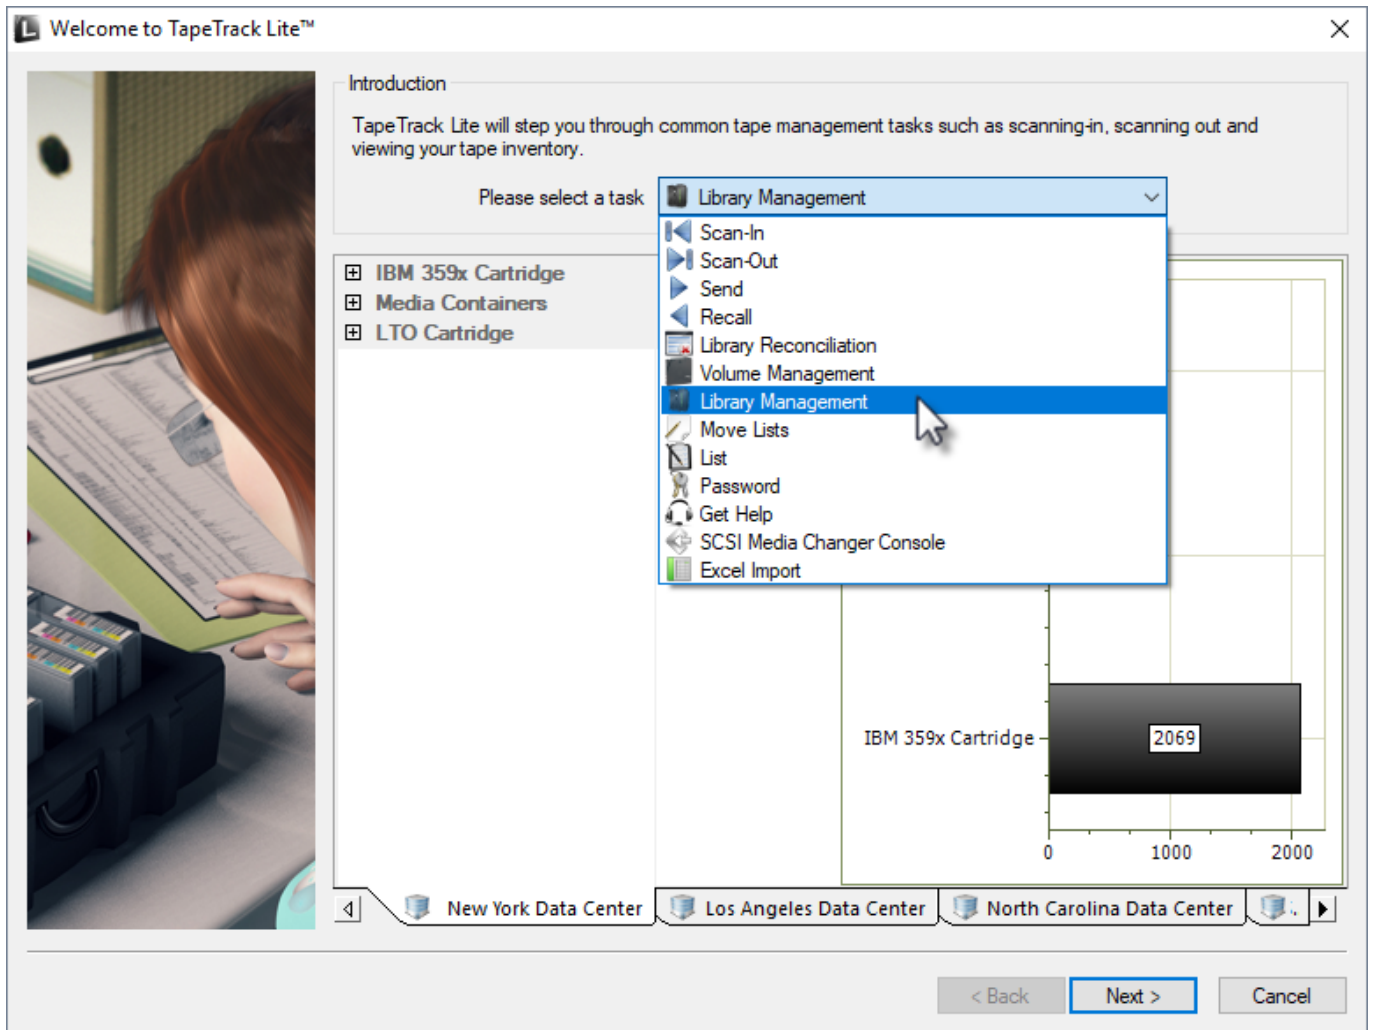

Video Walkthrough

Video coming soon.....

Steps

Select Library Management

Select Library Management from the Library Management Tasks drop-down menu.

Options

This will open the Options window. If required you can set the location for the log files to be written to, or leave the default. To change the default directory, click in the right of the Log File Folder and click on the more options button (...) and select the preferred directory.

Click Next button to continue.

Customer Selection

Select the account or customer that you want to manage volumes for by double-clicking the [Customer-ID](#) or left clicking the customer-ID and clicking Next at the bottom of the page.

TapeTrack Lite™ - Customer Selection

Instructions

The Customer Selection screen allows you to select one TapeTrack Customer that will be the subject of operations in subsequent screens.

You may select a Customer by double clicking the Customer, or by clicking the Customer and pressing the Next button.

Customer	Volumes	Moves
New York Data Center	56	0
Los Angeles Data Center	23	7
North Carolina Data Center	56	23
Nashville Data Center	52	9
	187	39

Remember previously selected Customer

< Back Next > Cancel

Media Selection

Select the media type to manage volumes by double clicking the required media or by selecting the media type and clicking Next

TapeTrack Lite™ - Media Type Selection

Instructions

The Media Type Selection screen allows you to select a single TapeTrack Media Media Type to work with in subsequent screens.

You can select this Media Type by double clicking the required item in the list.

Media Type	Volumes	Moves	Scratch Deficit	Overdue
IBM 359x Cartridge	2,069	0	0	0
LTO Cartridge	211	16	0	0
Media Containers	5	0	0	0
