

Adding Volumes To Container

Select a volume or range of volumes (shift + click and or control + click) from the inventory window to assign to a container.

Right Click highlighted volume/s and select Special Operations→Modify→Assign to new/no container.

Select the required container from the displayed list and click OK.

Container Selection

Select no Container

OK Cancel

Other filters, container capacity, container content quantity (ie. use 0 for empty containers) or description can also be used to narrow results for container selection.

Click OK to save results and exit back to the inventory window.
