Zone Administration

Zone Administration gives you access to the zone administration window, from which you can add, remove or alter current zones as well as view slots currently in use through the zone usage tab.

To access the Zone Administration window, from the main menu, select Administration \rightarrow Zone Administration.

Only users with tapemaster rights have access to the Administrative menu.

Zone Tab

the Zone tab displays current zones index, zone ID's, descriptions and number of slots per level.

Zone Tab Right Click Options

- Add
- **Disable**: Disables the use of the zone.
- Edit
 - Paste (Using Selected Attributes)
- Enable: Enables the use of the zone.
- Print
 - All: Prints all zones and associated information
 - $\circ~$ Labels: Prints labels for use when scanning volumes into zones.
 - Selected: Prints selected zones and associated information.
- **Properties**: Opens **Edit Zone** window to edit zone properties and view zone usage information.

Zone Usage Tab

The Zone Usage tab displays the current zone index, zones ID's, Descriptions, assigned Customer and Media and Repository ID's, start and end and total slot numbers, notes and utilization figures.
