

Date Tester

Date Format Tester allows you to enter a date, or range of dates to display the predicted range in a calendar format.

This gives you the ability to check the intended results are contained within the specified dates before any reports are created.

Open Date Format Tester

From the main menu in TapeMaster, select Tools > Date Tester

Date Range

Dates can be entered in several formats, using a single year or a range of dates to span between.

Dates can also be entered as specified dates, such as 2019, or using relative values such as Y-1 which will give you a corresponding date of last year.
