Removing a Favorite Volume

Select a [Volume](#), or a range of [Volumes](#), to be removed as a favorite. Right-click highlighted [Volume/s](#) and select Favorites → Un-Set.

This will remove the F [flag](#) from the [Volume/s](#) and change the icon from a star to its original icon, either a [Volume](#) or Container.

Filtering Favorites

Adding an F in the **Flags** filter field will display any **Volume** marked as Favorite.

Pressing Ctrl+F will clear all filters and refresh the **Volume** display.

Listing Favorites

From the Main Menu, click Favorites > List.

From the Favorite list window you can right click any **Volume** and select Remove to unset the favorite **Flag** or click Ctrl+E to open the export to file selection to export the inventory information of the **Volumes**.

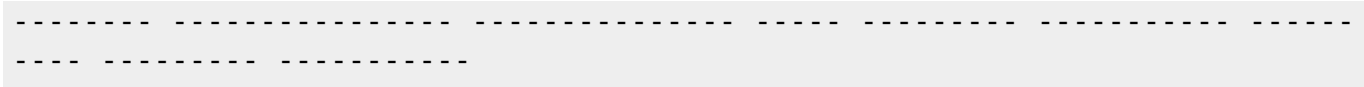

Sample export:
