2025/12/01 10:39 1/2 Movement History Tab

## **Movement History Tab**

The Movement History Tab in the Repository Properties Window displays how many Volumes were confirmed at the selected Repository at each hour on any given day.

From the **Movement History** tab and select the required date from the drop down list.

The Y-Axis displays how many Volumes were confirmed at the selected Repository.

The X-Axis displays the hour in 24-Hour format that the Volumes were confirmed at the current Repository.

When finished viewing the movelist click Save, Cancel or the X at the top right of the window to close.
