2025/12/01 11:08 1/2 Movement History Tab

## **Movement History Tab**

The Movement History Tab in the Repository Properties Window displays how many Volumes were confirmed at the selected Repository at each hour on any given day.

From the drop down list select the required date for display.

The Y-Axis displays how many Volumes were confirmed at the selected Repository.

The X-Axis displays the hour in 24-Hour format that the Volumes were confirmed at the current Repository.

When finished viewing the movelist click Save, Cancel or the X at the top right of the window to close.
