## **Temporary License**

A temporary license key will allow you to operate the TapeTrack Software without restriction, but this mode of licensing is reserved for those evaluating the TapeTrack Software or those needing a license in an emergency situation.

Temporary licenses are restricted to less than two weeks.

While logged to in TapeMaster as tapemaster, or user-ID with tapemaster rights

1. From the menu click Help → Framework Server Licensing

If the menu option **Framework Server Licensing** is grayed out and inaccessible, you do not have sufficient privileges (tapemaster rights) to alter the software license

2. Click Get temporary license and OK

Your **License Status** should now display **OK** and your expiry date should now be approximately 12 days from now.
