## Uploading Files

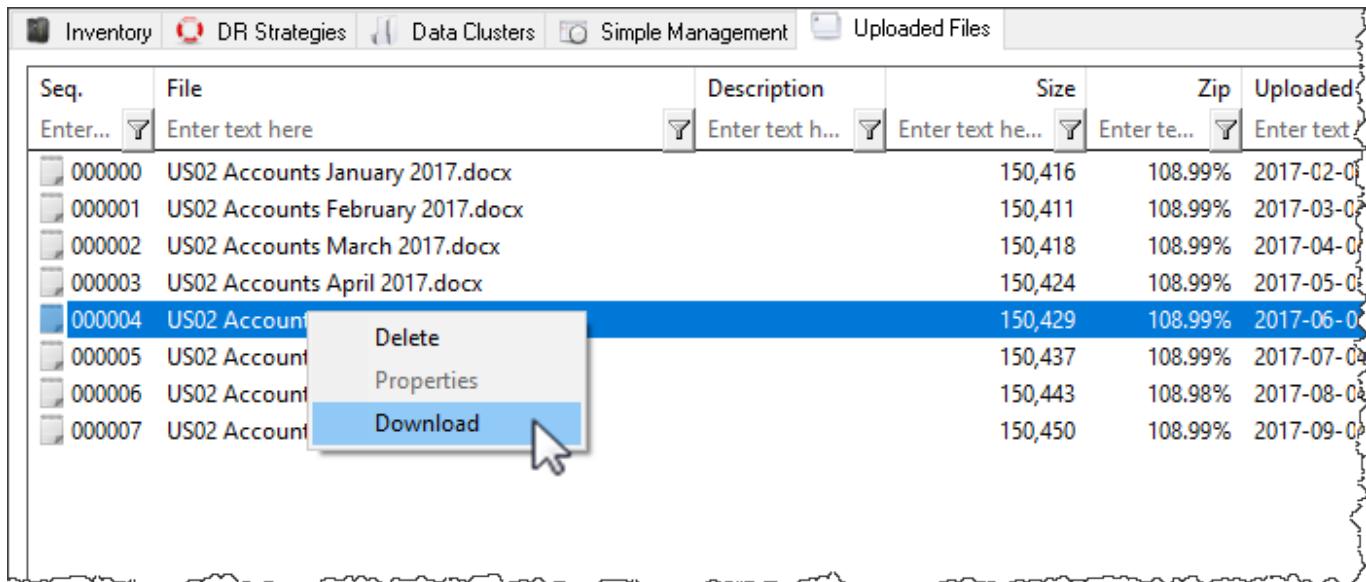

To add files to the Uploaded Files tab, drag and drop the files from Windows Explorer into the Uploaded Files tab window.

## Right-Click Functions

Right-clicking in the Uploaded Files Tab provides three options:

- **Delete:** Deletes the selected files.
- **Properties:** Displays details pertaining to the selected file.
- **Download:** Downloads the selected file to your computer.

The screenshot shows a software interface with a toolbar at the top containing 'Inventory', 'DR Strategies', 'Data Clusters', 'Simple Management', and 'Uploaded Files'. The 'Uploaded Files' tab is active. Below the toolbar is a search bar with placeholder text 'Enter text here' and several filter icons. The main area is a table with columns: Seq., File, Description, Size, Zip, and Uploaded. The table lists seven files, each with a small preview icon and a sequence number. The file '000004 US02 Accounts' is selected, and a context menu is open over it. The menu options are 'Delete', 'Properties', and 'Download', with 'Download' being the highlighted option. A cursor arrow is pointing at the 'Download' button.
