

Volume History Table

The Volume History Table displays in a table format. Volumes are displayed in ID order by default.

Selecting Volumes for Display

Select all volumes by right clicking in the inventory window and select **Select→All**, or using **shift+click** and/or **control+click** select the range of tapes required.

Right click the selected volumes and click **View→History**.

Data can be filtered by using the TapeTrack [String Filters](#)

Click the X in the top right of the window to close.
