

Date Aging - Last Sync

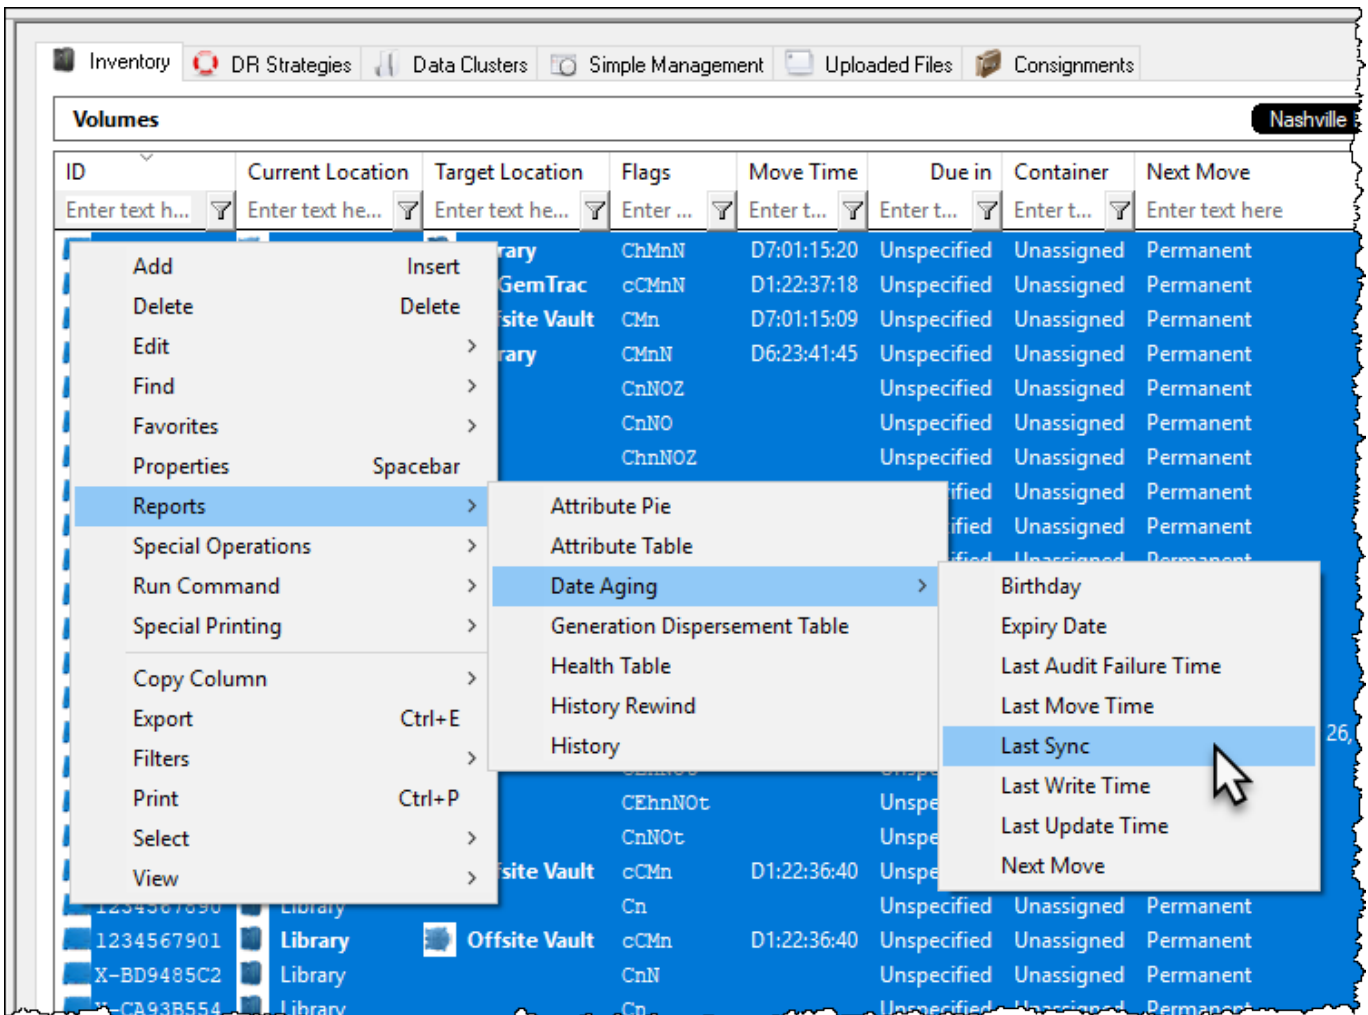

Displays a table and bar graph of selected volumes last synchronization date.

Selecting Volumes for Display

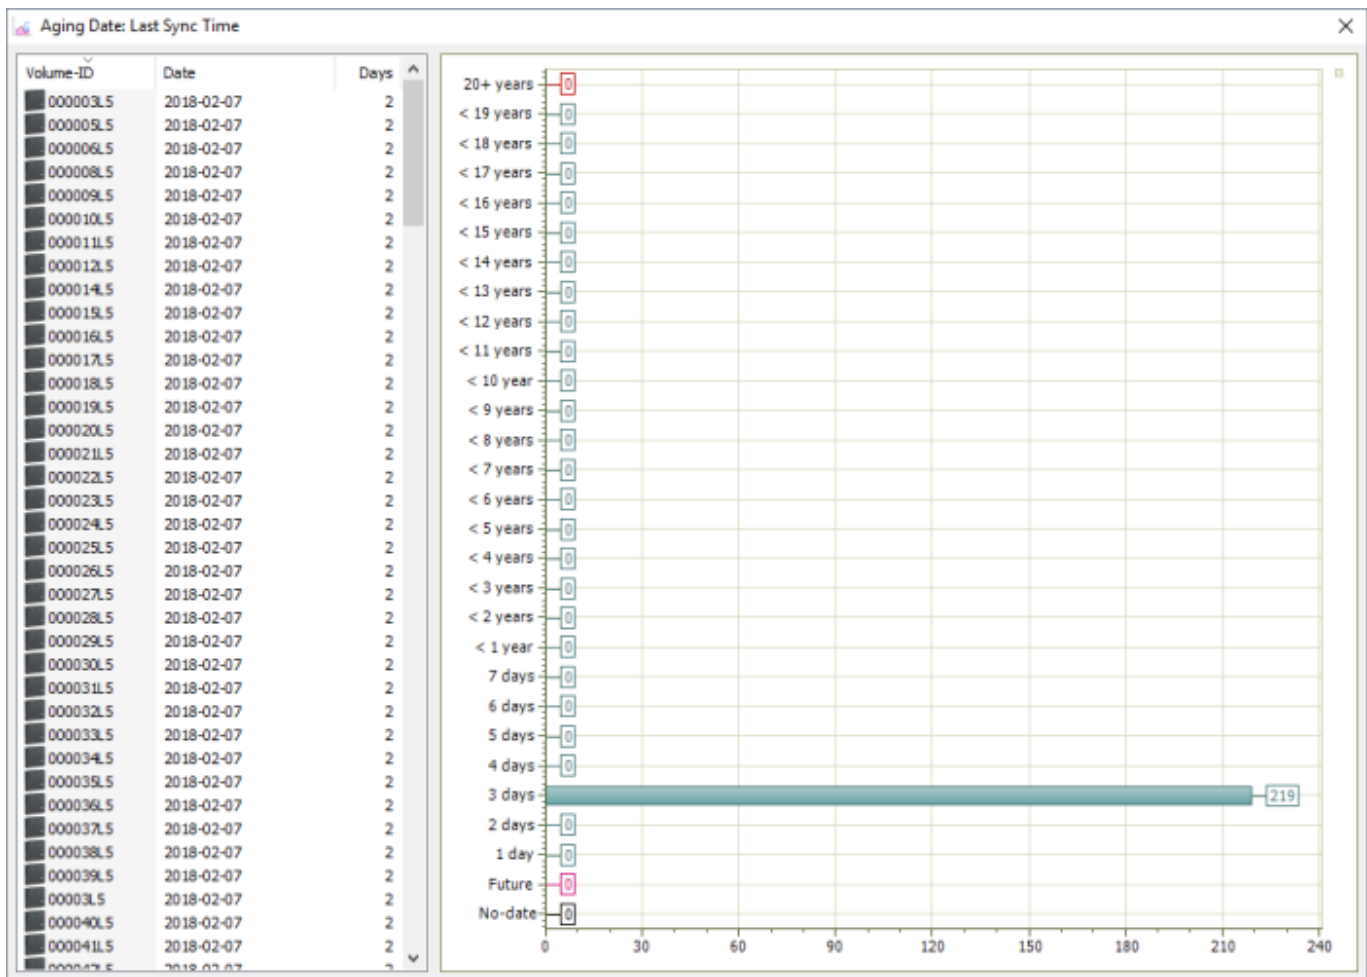

Select all volumes by right-clicking in the inventory window and select **Select→All**, or using **shift+click** and/or **control+click** select the range of tapes required.

Display Last Sync Date

Right-click the selected volumes and click **View→Date Aging→Last Sync**.

Volumes and associated information can be reordered by Volume-ID, Date or Days since last sync by clicking on column headings. Clicking on the same heading will change the displayed order between ascending and descending order.

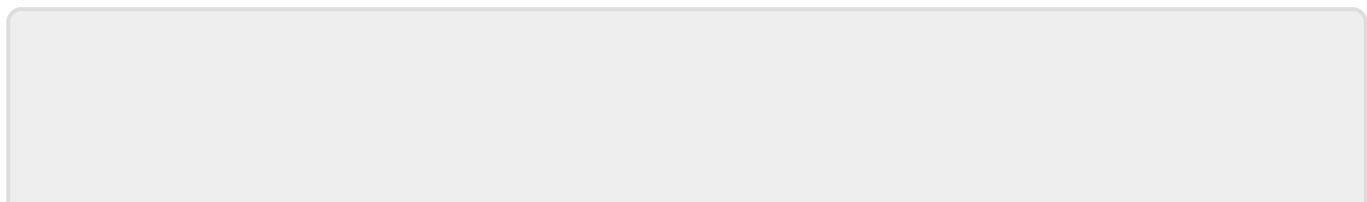

Right-Click Options

Right-clicking in the table (left) side of the report gives you the options:

- **Edit**
 - **Copy**: Copies the selected Volume-ID's to the clipboard.
- **Export**
 - **To Email**: Adds a fixed with text file with Volume-IDs, Date and time of last sync and number of days since last sync.
 - **To Text File**: Exports Volume-IDs, Date and time of creation and number of days since last sync to fixed width text file.
- **Print**
 - **All**: Prints all volumes with Date and time of last sync.
 - **Selected**: Prints selected volumes with Date and time of last sync.

Click the X in the top right of the window to close.
