2025/12/01 20:04 1/3 Date Aging - Last Sync

Date Aging - Last Sync

Displays a table and bar graph of selected Volumes last syncronization date.

Selecting Volumes for Display

Select all Volumes by right-clicking in the Inventory window and select Select→All, or using shift+click and/or control+click select the range of Volumes required.

Display Last Sync Date

Right-click the selected volumes and click View→Date Aging→Last Sync.

Volumes and associated information can be reordered by Volume-ID, Date or Days since last sync by clicking on column headings. Clicking on the same heading will change the displayed order between ascending and descending order.

Right-Click Options

Right-clicking in the table (left) side of the report gives you the options:

- Edit
 - **Copy**: Copies the selected Volume-ID's to the clipboard.
- Export
 - To Email: Adds a fixed with text file with Volume-IDs, Date and time of last sync and number of days since last sync.
 - **To Text File**: Exports Volume-IDs, Date and time of creation and number of days since last sync to fixed width text file.
- Print
 - All: Prints all volumes with Date and time of last sync.
 - Selected: Prints selected volumes with Date and time of last sync.

Click the X in the top right of the window to close.
