Right-click the selected volumes and click View→Date Aging→Next Move.

Volumes and associated information can be reordered by Volume-ID, Date or Days until next move by clicking on column headings. Clicking on the same heading will change the displayed order between ascending and descending order.

Right-Click Options

Right-clicking in the table (left) side of the report gives you the options:

- Edit
 - **Copy**: Copies the selected Volume-ID's to the clipboard.
- Export
 - $\circ\,$ To Email: Adds a fixed with text file with Volume-IDs, Date and days until next move to email
 - **To Text File**: Exports Volume-IDs, next move date and days until next move to fixed width text file.
- Print
 - All: Prints all volumes with Date and days until next move.
 - **Selected**: Prints selected volumes with next move date and days until next move.

Click the X in the top right of the window to close.
