

# Attribute Pie

The attribute pie graph displays **volume** attribute data in a simple easy to read format. **Volumes** are grouped by similar attribute values and displayed in a % based format with a color coded key.

## Selecting Volumes for Display

Select all **Volumes** by right clicking in the Inventory window and select **Select→All**, or using shift+click and/or control+click select the range of **Volumes** required.

Right click the selected **Volumes** and click **Reports→Attribute Pie**.

Click the X in the top right of the window to close.
