2025/12/01 04:18 1/1 Status Bar

## **Status Bar**

The **Status Bar** is displayed at the bottom of the TapeMaster Interface and is comprised of:

- Connection Information
- Licensing Information
- Free TapeTrack Support Button

## **Version Tracking**

Version Tracking displays the current IP address of your server connection and encryption used for data transmission.

## **Licensing Information**

The **Licensing Information** field will display the status of your Framework Server License. If the License is listed as **Not-OK**, contact your TapeTrack Server Administrator.

## Free TapeTrack Support

The Free TapeTrack Support field is a button that will launch a new message window in the default e-mail application, with a template e-mail for the TapeTrack Help Desk.
