

Copy Extended Attributes From Existing Customer

TapeMaster now allows you to copy extended Attributes from one Customer to another saving you time, effort and enforcing data conformity over several Customers.

When you create a new Customer using TapeMaster, if the extended Attributes required match another existing Customer setting up those Attribute are now as easy as clicking a button and selecting which Customer to duplicate the Extended Attributes from.

Edit Customer: North Carolina Data Center (2/0)

Media Types	User Access	Options	LibraryHealth
Identity	Contact Details	Extended Attributes	
Extended Attribute 1			
Name			
Type	String		
Required	False		
Hidden	False		
Extended Attribute 2
