2025/12/01 13:37 1/1 Customer

# **Customer**

A Customer represents an owner, or parent entity, of a group of media types and the media within them.

#### **Customer-ID**

A Customer-ID is a string of up to 4 alphanumeric characters and is permanently assigned at creation.

Each Customer object's ID must be unique.

### **Customer Description**

A Customer object has a description field. This allows a user friendly description of up to forty alphanumeric characters to be associated with the Customer-ID.

# **Dependencies**

• Media Type (child)

# **Creating a Customer**

A Customer Object can be created using TapeTrack TapeMaster.

Adding and managing a Customer with TapeTrack TapeMaster.
