TapeTrack Extensions

TapeTrack has several extensions to make tape management more efficient and user friendly.

Slack App

The TapeTrack Slack App allows you to query tape libraries and move tapes from one location to another, all from within Slack.

Full details on the TapeTrack Slack App can be viewed here

Connecting the App

To install the App simply click the App icon on the Slack app directory or by clicking the icon below.

<html> </html>

As all settings are set via /tapetrack commands, there is no need to interact outside of Slack during installation.
