

Certificates and Certification

In TapeTrack, a **Certificate** is a digitally-generated form that indicates whether or not a **Repository** is performing adequately. **Repositories** can either receive a Certified status or a Refused status. **Repositories** gaining a Certificate Refused status have Audit Failures due to either surplus **Volumes** or deficit **Volumes**.

certificates that have previously been **generated** can be viewed on the Certificate tab.

Viewing Certificates

Certificates can be viewed under the Certification Tab in the **Repository Properties Window**.
