2025/12/01 08:20 1/2 List Storage History Reports

# **Technote Reports - List Storage History Examples**

# **Command Line Storage History Reports**

TMSS10ListStorageHistory produces lists the storage history movements of Volumes for each Repository within a set date range.

Statistics included in the report include each Repository's:

- Repository levels including low, high and average number of Volumes.
- Number of Volumes moving into and out of the Repository
- Location of where the Volumes moved from or to.

## **Examples**

#### **Command Line Input - Text File**

```
TMSS10ListStorageHistory -S user:-password@server -R *:* > report.txt
```

### **Text File Output**
