

# Technical Note: Framework Server Command Line Arguments

The following command line arguments can be passed to the Framework Server executable:

| Argument | Type    | Notes  |
|----------|---------|--|
| -f       | bool    | Run the program in foreground mode (Windows only)                    |
| -h       | string  | Path to the directory containing the TapeTrack database              |
| -l       | integer | Log file format (0=append, 1=truncate, 2=timestamp, 3=stdout/stderr) |
